Girls & Women Essentials — Impact Overview

Every girl and woman deserves to feel confident, cared for, and supported with dignity. Our **Hygiene Care Kits** provide everyday essentials for personal care and wellness — designed for use in schools, shelters, transitional youth programs, clinics, and community organizations.

Each Kit Includes:

- 1 soft towel
- 1 mini bar of **Dove®** soap
- 1 mini **Jergens®** lotion
- 1 toothbrush
- 1 toothpaste
- 1 comb
- 3 **Always®** pads
- 1 mini **Secret®** deodorant

Access to basic hygiene is a matter of **equity, dignity, and wellness**. For too many girls and women — whether in schools, shelters, transitional programs, or clinics — the absence of simple items like soap, pads, or toothpaste becomes a barrier to belonging, learning, and participation.

More than supplies, these kits send a clear message: ***you are seen, valued, and deserving of care***. By equipping schools and community partners with tangible resources, we reduce shame, promote confidence, and create conditions where students and women can thrive.

“Hygiene is more than cleanliness — it’s dignity, belonging, and confidence.”
